

Nursing/NCLEX Tutors Needed for Medical Career Advancement Students

Candidate Profile:

- Candidate must hold a current Minnesota Nursing License and be familiar with the NCLEX format
- Candidate should be interested in working with immigrant and refugee populations
- Candidate should be able to communicate nursing concepts clearly and adapt to different learning styles
- Previous nursing teaching and/or tutoring experience is preferred but is not essential

Primary Duties Include:

- Tutor adult immigrant nursing school graduates preparing to take nurse license exams (NCLEX-RN or NCLEX-LPN)

Time Commitment:

- Varies according to the need of the student (minimum of 3 study sessions)
