

HOSPITALITY CAREERS PATHWAY

STRENGTHENING MINNESOTA'S WORKFORCE BY
EMPOWERING NEW AMERICANS TO SUCCEED IN HOSPITALITY

Established in 2013, The Hospitality Careers Pathway provides skills training and targeted employment services to New Americans who bring a wealth of talent, potential, and ambition to our community.

Housekeepers complete skills training with the goal of establishing their career in the hospitality industry.

Dietary Aides are natural caregivers who have completed food safety and infection control training with a focus on guest services.

Supervisors in Hospitality are trained in advanced customer service techniques and supported in building their capacity for leadership.
